

What's Your Digital Footprint?

Student Name _____

Directions Camila went online to track her digital footprint. She has been using various social media outlets for about three years. Review the information collected below.

WEBSITE	SEARCHABLE? (YES/NO)	NOTES (DESCRIBE THE TYPES OF INFORMATION YOU FIND.)
GOOGLE	YES	Links to Facebook, Twitter and Instagram, personal address (White Pages), image from Facebook and a few recent posts that seemed popular.
FACEBOOK	YES	Information on the city where I live, my photo and photos of friends (most recently at the lake). Friends who've liked a few of my recent posts. Several photos posted from friends. Many comments from friends (most good, some not so nice). A few photos tagged to my Facebook page from friends and friends of friends. Some I don't know. My age and gender.
TWITTER	YES	The city I live in. Lots of tweets sent back and forth. "Trends for You" lists my interest in music, dating and partying. Received several direct messages from people I don't know.
INSTAGRAM	YES	Photos I've posted with comments from friends and the location from where I posted. A few photos tagged to my Facebook page from friends and friends of friends, some I don't know.
